

2023 PVC DESIGN TEMPLATES

When selecting a design template for your PVC cover, please keep in mind:

1. We can change the colours on the template to suit your school colours*
2. You are able to request different font styles and sizes
3. All logos in the templates can be replaced with your own artwork

How to customise your design template:

1. Indicate your selected design number on your 2023 school order form
2. Advise us of the fonts and colours* you would like on your cover
3. Send all artwork (logos, pictures, etc.) as vector .eps or .pdf files to your account manager

* Please supply your artwork as one colour or multiple PMS colours. If you are supplying CMYK colours it is important to note they will be converted to PMS, which may result in slight colour variations.
